The Village of Southampton for a Family Friendly Weekend
Featuring Art, Entertainment, Food and More

SOUTHAMPTON, NY – September 21, 2022 - - **SouthamptonFest** is back in its 10th year, drawing attendees from all over New York and featuring a weekend of arts, crafts, music, pumpkin carvers and the popular chowder contest -- plus a whole lot more.

The weekend begins with a high-energy cocktail party in Agawam Park -- a gathering of old and new friends -- with live music by **Coverland**, complimentary beer and wine from 6:30 to 8:30 pm, followed by a cash bar until 9:30 pm, sponsored by the **Southampton Rotary Club**.

Saturday is an all-day event with happenings throughout the Village. Bands such as **Next Level Band** and **Gene Casey and The Lone Sharks** perform in Agawam Park, along with the popular **Chowder Contest** featuring entries from local restaurants and caterers, as well as food trucks offering delightful dishes. Dance lessons include salsa for all ages and abilities, kids activities including Jester Jim performances, face-painting and balloon animals, sponsored by The Rogers Memorial Library/Friends of the Library. The **Maniac Pumpkin Carvers**, musicians performing on Main Street, and Village restaurants welcome residents and visitors with Fall-themed specials. A special Art + Design Walk will encompass some of the best design shops and art galleries in the Village and participants enter a raffle to win some great prizes. Topiaire Flower Shop will hold a live demonstration of the colorful, eye-catching Thanksgiving tablescapes using fresh flowers and organic materials.

The **Southampton History Museum** will open its doors and grounds to guests looking for spooky delights. Experience the horrors of a haunted Gilded Age Mansion as **GHOSTS, GOBLINS AND GHOULS** inhabit the historic rooms of the Rogers Mansion, whose history begins in 1650. Ten historic outbuildings will be open and occupied with the unimaginable including Creatures in the Carpenter's Shop, Devils in the Decoy Shed and Bad Barnaby in the Blacksmith Shop.

Heart of The Hamptons has teamed up with the **First Presbyterian Church** to host a petting zoo, children's games, and family fun in front of the church at 2 South Main Street. Pick up your cards here for a Family Scavenger Hunt which will lead kids through the Village in search of treats and prizes.

The **Southampton Artists Association**, a not for profit organization that gives both professional and amateur artists, who live throughout the East End an opportunity to showcase their work which will be on display and for sale on Saturday and Sunday.

The **Southampton African American Museum** invites guests to experience a digital tapestry and exhibit of "Grooming A Generation: A History of Black Barbershops & Beauty Parlors" with an augmented reality tour celebrating the long and storied history of barbering in the African American community.

More special highlights this year include the **Southampton Arts Center's** exhibit "**A Celebration of Trees**", from 6:00 pm - 8:00 pm, open to the public and featuring artists such as Freeman Vines, Beth Moon, Frank Relle, Charles Gaines, Sebastião Salgado and Nicholas Herrera and a special outdoor performance at 3:00 pm and 6:00 pm by musician Tom Wall performing to, and with, centuries' old trees.
