

HALLOWEEN SILENT DISCO

SATURDAY, OCTOBER 28 @ 7-11 PM

Come dance at this outrageously fun (and quiet) rave featuring DJ's and multiple music genres. Quiet Events provides their three-channel LED-style headphones allowing guests to change channels to different types of music. Headphones light up with colors assigned to each channel so dancers can see what others are listening to base on the color of their headphones. At any given moment you might find a group of friends dancing to three different styles of music, which makes this event entertaining not only for the participants, but for onlookers as well.

Dress up in your most ghoulish costumes for a chance to win prizes!
Kid's contest winner will be announced around 7:30 PM!

PRICE: \$15 FOR SAC MEMBERS | \$20 FOR NON-MEMBERS | \$5 FOR KIDS 12 + UNDER
