

Public Meeting to Learn More About A Program That Provides Renewable Electricity at Competitive Prices

**COMMUNITY CHOICE AGGREGATION:
We are working to enable Long Island
residents to have real energy choice
for the first time**

WHO: Southampton Village Residents and interested citizens

WHAT: A public meeting to learn more about Community Choice Aggregation (CCA) -- a program that allows municipal leaders to enable residents and small businesses to have a choice on traditional or renewable energy sources.

- Presentation and Discussion led by CCA reps and local leaders
- Q&A to follow

WHEN: March 16th, 2024 at 11 AM

WHERE: Southampton Cultural Center, 25 Pond Lane, Southampton

WHY: Learn how the CCA program works, its benefits, review how it has performed outside the LIPA Service area, and answer questions.

With Community Choice, eligible residents and small businesses can access competitive rates for renewable electricity supply.
