Police Department

Village of Southampton, New York

151 Windmill Lane
Southampton, NY 11968

Emergency - **911**
Non-Emergency - (631)-283-0056
Business Phone - (631)-283-0083
Fax - (631)-283-3304

The Palm Tree Music Festival will be taking place on the Shinnecock Nation Territory on June 22nd, 2024.

What to expect: Heavy traffic conditions in and around Southampton Village throughout the day on June 22nd. Residents should also be aware the Long Island Railroad will be utilized to bring people into the Southampton Village Train station and shuttle buses will be on standby to transport individuals to the Shinnecock Nation Territory for the event. MTA Police and Southampton Village Police will have a presence at the Southampton Village Train station for arrivals and departures.

If you live in the vicinity of the Shinnecock Nation, you **will** hear the music. If you do call the Southampton Village Police Department for loud music in the area and it is determined the music is coming from the Shinnecock Nation Territory, no action **can** be taken as it does not fall under our jurisdiction.

Time Frame: 12pm through 2am. The concert is scheduled to end at 10:30p.m. and we anticipate heavy vehicular and pedestrian traffic as we assist with traffic leaving the Shinnecock Nation Territory.

What should Southampton Village Residents do: Per the New York State Police, do not utilize Montauk Highway from Hill Street/Tuckahoe Lane westbound to Southampton College/Tuckahoe Road. It will be gridlocked.

*Temporary NO PARKING signs will be placed along both Hill Street from Tuckahoe to Bishops Lane. This is to prevent any individuals going to the event from parking on Hill Street.
