

Village of Southampton
4th of July Parade Committee

A Message To Our July 4th Parade Participants:

We need your 2026 parade application early. Since we will be celebrating America’s 250th Birthday, we are already organizing and planning to make the parade our best ever! We need your commitment now so that we can plan accordingly.

Please return the application no later than October 15th.

We hope to see you Saturday, July 4, 2026! And you can help us by spreading the word—we are particularly interested in bands and patriotic floats.

Thank you. The July 4, 2026 Parade Committee.
