

**Village of Southampton  
July 4th Committee**

**Dear Fellow Americans,**

The July Fourth Parade Committee needs your participation and support to celebrate and honor our country's momentous 250th birthday on the Fourth of July 2026. This is a significant milestone in our nation's history, and we want you to be a part of it.

We have proudly produced this parade for 105 years in the Village of Southampton.

**WHAT WE NEED MOST NOW:**

**FUNDS:** from Sponsors and Underwriters to help cover the nearly \$100,000+ cost of the parade, which includes travel expenses for bands, communications, sound, video, flags, promotions and more.

**VOLUNTEERS:** to produce and manage the parade, to promote our vision and goals and to celebrate our freedom and honor our veterans.

**TOP NOTCH ENTERTAINMENT:** to add to our already great roster of talented entries.
