The State of Emergency has been declared due to emergency conditions produced by:

Such conditions threaten or imperil the public safety of the citizens of this municipality.

As Chief Executive of this municipality, I have exercised the authority given to me under New York State Executive Law, Article 2-B, to preserve the public safety and hereby render all required and available assistance vital to the security, well-being and health of the citizens of the community.

I hereby direct the Department(s) of PUBLIC WORKS and the VILLAGE POLICE to take whatever steps necessary to protect life and property, public infrastructure and other such emergency assistance as deemed necessary. There shall be NO PARKING on any Village Streets to facilitate rapid, effective snow removal, emergency vehicle access, and to ensure public safety during hazardous conditions.
